

# HARBOR HEIGHTS NEWSLETTER JUNE 2018

Regarding the 4<sup>th</sup> of July parade...The Village officials told us when we met with them

on March 29<sup>th</sup> that the parade would be ending at Trailside Elementary School however, the Village newsletter says it is going to end at Pick-n-Save. I have made many calls to get a definite answer as to where it really is going to end even leaving a message for the police chief (with no response). So, I guess we will just have to play it by ear and be aware that if it does end at the school, there will be no access for a few hours into or out of Harbor Heights.

FROM THE HH OFFICE: We would like to remind folks of the “Exterior Storage” rule which states that things permitted to be stored outside include outdoor furniture-in use, grills & garbage cans. Indoor furniture, ladders and misc. junk & debris should not be kept outside of the home. Please take a moment to walk around your home & put things away which don’t belong outside. (lawn ornaments, flags, bird feeders, bird baths are fine). Thank you for your cooperation in keeping our community looking good.

Reminder – All residents who have a pet must keep it on a leash when it is outdoors and must not leave the pet outside unattended. This applies also to the pets of visitors/guests. Please make sure your guests pets are leashed at all time while visiting.
