FROM THE HH OFFICE: If the office is closed due to bad weather, we still check phone and email messages throughout our normal "open" hours. Leave a message along with a call back number and we will get back to you.

SCAM ALERT!!!!!! A HH resident recently shared with us that they had received calls from two different phone numbers claiming that the caller was from the Social Security Administration and that the resident was being investigated for a criminal offense. The person called the SS office and was assured that this was a SCAM & was told to not return the call !!!!! If you get any calls like this or from someone claiming to be from the IRS – HANG UP IMMEDIATELY or if they leave a message DON'T return these calls ever.
