**FROM THE HH OFFICE:** Dog owners.....When the warm weather does eventually return that means grass cutting will follow shortly. Please take some time to clean up your yard of dog waste which has built up during the cold & icy winter. Also keep your yard "picked up" on a daily basis. **If your lawn is not picked up your grass will not be cut.** Grass cutting is again scheduled for Mondays & Tuesdays. weather permitting.

Kathe Reimer would like to share an important notice: There is a Town Board Meeting on Monday, April 8<sup>th</sup> @ 5:00 p.m. at the Waterford Town Hall, 415 N. Milwaukee St. to discuss the reopening of the gravel pit at 4620 S. Loomis Rd. the entrance is right across from the Elementary School (directly north of HH). They want to operate the pit 6 days a week with + 40 loads being processed daily. Increased Dump Truck traffic, noise from rock crushing & dust are a few concerns. If you live in this area & don't want your Saturdays to be interrupted by all of this, please show up to voice your concerns.
