Welcome to

IMPORTANT NOTICE:

If you have
something
stored
behind the
office we

may be contacting you to
either remove it from the
storage area or move it to
another spot as we are
getting very short on
space.

This area is **only** for
boats, campers, trailers
etc. which are being used
& not for storage of an
item you only occasionally
use but don't want to get
rid of. It is also only for
residents NOT relatives,
friends, etc. **Proof of
ownership is required
in order to store an
item in this area & we
will be contacting
everyone with an item
to provide that to us.**

Thank you to everyone for
your cooperation!

*If you have an item for the June
newsletter, please e-mail it to us, stop
in the office or call to let us know
about it.*
