## DECEMBER 2019

---

The Annual Winter Wonderland Parade is Saturday, December 2nd @ 5:30 p.m. The parade starts at the intersection of 5<sup>th</sup> & Milwaukee

Streets and ends at the Library where the Christmas tree lighting will take place following the parade.

WELCOME  
TO OUR  
NEWEST  
NEIGHBOR:  
**SANDRA**

**SCHERER – 427 OAK LODGE RD.**

With snow in our near future, please remember to take an extra minute to remove snow from around the fire hydrant. If you have someone shovel your snow for you, please ask them to do so as well. Thank you all for your cooperation & assistance.

**ALERT** – If your phone rings once then goes silent, here's the one thing you need to do: Scammers are using auto-dialers to call cell phone numbers across the country. Scammers let the phone ring once – just enough for a missed call message to pop up. They hope you'll call back, either because you believe a legitimate call was cut off, or you will be curious about who called. If you do, chances are you'll hear something like, "Hello, You've reached the operator, please hold." All the while you're getting slammed with some hefty charges- a per minute charge on top of an international rate. The calls are from phone numbers with three digit area codes that look like they're from inside the U.S., but actually are associated with international phone numbers. The area codes include: 268, 284, 473,

664, 649,767,809,829,849 and  
876.

**If you get a call like this, don't  
pick it up and don't call the  
number back.**

WE WISH  
EVERYONE A  
VERY MERRY  
CHRISTMAS
