EARLY VOTING (In person Absentee) is taking place in the Village of Waterford

October 20 – 23 & October 26 – 30, from 8:00 am to 3:00 p.m. in the lower level of Village Hall. Follow path north of the building around to back door & follow signage.

FROM THE HH OFFICE: To get ready for winter don't forget to check your home's heat tape, roof & the insulation under your home for rips & tears before the cold weather arrives. Consider a furnace check as well.

Remove your water hoses from all outside water faucets before the first freeze and **DO NOT** let the water drip from your outside faucets. Also, be sure that your toilets are not leaking.

We will be collecting leaves. If you do clean leaves out of your planting beds put them on your grass but **NOT** in big piles & they will be collected. **DO NOT** rake or blow leaves into the road for any reason. Please keep in mind that wind/rain/snow may impact the ability to remove leaves completely from your lawn.

REMINDER: THERE IS ABSOLUTLY NO BURNING OF LEAVES WITHIN HARBOR HEIGHTS.
