

## HARBOR HEIGHTS NEWSLETTER JANUARY 2021

---

Shirley Proesel would like to send out a huge "THANK YOU"

to all the folks in HH who have continued to donate to the clothing drive she is doing for the homeless shelter in Milwaukee. The donations are very much appreciated.

Any warm cloths – men's and women's are needed – coats, pants, socks, mittens, hats, blankets.

Shirley is still collecting and will be collecting All winter long so if you have any warm items, please give her a call @ 514-2723 to arrange for pick up.

**2021 Garbage & Recycle Collection Schedule - we have emailed a copy to all our residents that we**

have an email address for. If we don't have your email and you would like a schedule, please call the office and we will mail you a copy.

FROM THE HH OFFICE: We have mailed out the statements letting you know what your new monthly payment is for 2021 based on the new tax amounts from the Village of Waterford.

**Please note: the amount showing what you paid in lot rent & taxes for 2020 is on the bottom of the above mentioned letter so be sure to save it and give it to your tax preparer.**

If you claim Homestead Credit & requested a Rent Certificate be completed for you last year, we included that form in the envelope as well. If you didn't request one last year and need one for 2020, please contact the office.

REMINDER: There is NO OVERNIGHT PARKING allowed on the streets in Harbor

Heights. Also, please move cars off the street during the day if we have a snowfall as the plows can do a much better job if the streets are free of vehicles. Thank you for your cooperation
